Guidelines for COVID-19

The college strictly practices COVID-19 protocols to curb the pandemic and avoid risk in the campus. Following are some general guidelines practised by the college staff and these are required to be followed by the students taking admission to the college.

- Wearing a good quality face mask is mandatory. The mask should be worn properly covering both mouth and noses.
- Washing hands with soap and water frequently.
- Keeping a portable bottle of hand sanitizer for on and off use.
- When coughing and sneezing, cover mouth and nose with handkerchief or tissue. Dispose of the used tissue in a closed bin.
- Avoiding close contact with anyone with cold, cough or flu like symptoms.
- Maintaining safe distance of at least 1 meter from others.
- Avoid touching one's own eyes, nose, ears, and mouth.
- Contact a doctor immediately if you have cough, fever or difficulty in breathing.
- Avoid touching walls and handrails while using stairs.
- Avoid unnecessary touching of any surface.
- If any candidate is feeling unwell or have fever or throat ache or other relevant symptoms he/she is advised to stay home.

Pre-requisites for taking admission in 2020 in view of COVID-19 safety measures

It may be noted that in these trying scenario and until the COVID-19 situations are normal and until there are applicable orders from appropriate authorities, online classes seem to be the only possible mechanism of imparting education. The college is trying to implement the means and methods for conducting online classes as long as the present scenario prevails. The following requirements thus become mandatory for a successful implementation of education.

1. A valid Gmail id.
2. A valid WhatsApp mobile number.
3. A good internet connection.
4. A laptop or computer is desirable.

It may be noted with utmost importance that points 1 and 2 are mandatory for online application for admission in this college without which admission will not be possible. It is also advised to take care to provide the correct Gmail id and WhatsApp number to avoid trouble.

The college is on the way of implementing an online Learning Management System to aid online teaching during the COVID-19 scenario

A MESSAGE FROM THE PRINCIPAL

As we are going to plan for this new academic session, we had to face a situation never witnessed in our lifetime. We are in the midst of Pandemic affected by the dreaded Corona Virus. Everything had to be stopped at one go. The petrifying and severe impact of COVID-19 has shaken the world to its core. Further, most of the Governments around the world have temporarily closed educational institutions in an attempt to contain the spread of the COVID-19 pandemic. In India too, the government as a part of the nationwide lockdown has closed all educational institutions, as a consequence of which, learners ranging from school going children to postgraduate students, are affected.

These nationwide closures are impacting over 91% of the worlds' student population. Several other countries have implemented localized closures impacting millions of additional learners. UNESCO is supporting countries in their efforts to mitigate the immediate impact of school closures, particularly for more vulnerable and disadvantaged communities, and to facilitate the continuity of education for all through remote learning. The UNESCO report estimates that the corona virus pandemic will adversely impact over 290 million students across 22 countries. The UNESCO estimates that about 32 crores students are affected in India, including those in schools and colleges. Therefore, the government has come up with e-learning program so that our institution. Nevertheless, Covid-19 has prompted experts to rethink the conventional mode of education. Digital education appears to be a viable solution to fill in the void for classroom education for a period of three to four months while minimizing the chances of any infection to students until classes resume. E-learning also has come as an interesting and interactive alternative as compared to classroom teaching.

For this academic session, the governing body of the college has initiated some plans for the staff and students. Though, our college admission process and payment system were paperless since 2018, from this year On line Learning Management System would be started, as it is not possible to start conventional class room teaching, following Covid-19 protocols of the State and Union Government. The admission Cancellation process will also be on line, where students who are interested to change their college after getting selection at other college of their choice.

I am pleased to mention here that our proposal for allotment of land for establishment of 2nd Campus is approved. For this, the initiatives taken by our local MLA and Honourable MiC, Tourism, S.J. Gautam Deb is praiseworthy. He is also kind enough to donate 15 Desktop Computers with high configurations for the development of our Language and Computer Laboratory. Our Governing Body, led by President G.B Sri Jayanta Moulik always extend his supports for innovative ideas and all round development of the institution.

The college has highly qualified faculties, supportive office associates, well equipped laboratories with modern Computer and Language Laboratories; library with rich collection of books, journals and periodicals with specious reading room separately for faculties and students; canteen facilities and all other facilities. The college is the only college in Siliguri with valid NAAC Accreditation and ISO certification. Besides formal education, the college has two units of NSS and from this year two / three units of NCC (One Boys and Two Girls SD) are expected to be raised.

The institution is named after a great freedom fighter & revolutionist "Surya Sen", nicknamed as "Master Da". As a Principal, for me, education is not learning by rote and then repeating it in the examination. Our approach is student centred and goes beyond text books, class rooms and boundaries. Students develop practical skills, enabling them to apply their learning to unfamiliar situations and think & act critically about different issues confronted in their life. This will prepare them a lifelong success. This edifice and temple of learning will always be a source of never-ending inspiration to our young students.

Last, not the least, I welcome to you all with our best wishes to this Mahavidyalaya.

(Dr. P. K. Mishra)
Principal

SURYA SEN MAHAVIDYALAYA – A BRIEF INTRODUCTION

Surya Sen Mahavidyalaya, affiliated to the University of North Bengal, made its humble beginning on September 15, 1998, for conducting degree courses in Arts, Science and Commerce streams. Initially, classes were held in Siliguri College campus. The present campus of the college at Surya Sen Colony, Siliguri, became operational since July 2000. Treading the path of rapid development, the college was certified as ISO 9001:2015 in August 2018 and gained NAAC accreditation in 2019 after years of hard work. With the establishment of Surya Sen Mahavidyalaya, a long standing demand for a third college in Siliguri finally became realised. Since its inception, the Mahavidyalaya has carved out a niche in the academic frame of Siliguri. The college, within this short period, assumed the status of one of the premier colleges in North Bengal – thanks to the able stewardship of college authorities, teaching and non-teaching staff and students.

Location:

The college is situated in Surya Sen Colony on the road connecting New Jalpaiguri Railway Station and the City of Siliguri. Thus, in addition to its vicinity to central Siliguri, the institution can claim its proximity to Siliguri suburbs and adjoining parts of Jalpaiguri district which falls under Siliguri Municipal Corporation's jurisdiction.

Infrastructure:

1. Campus & Buildings:

The college campus with its 3 three-storied buildings, spacious classrooms, verdant field, manicured garden, tiles laden pathways offers a magnificent ambience which is ideal and conducive for a quality learning experience. **The Academic and Administrative Block** has a modern integrated fire extinguishing system installed as a safety precaution, which can be operated by anyone from any point, in times of emergency. **The N Block** uses solar energy for electric supply. **The Amit Agarwala Learning cum Resource Centre** which houses Central Library, Boys' and Girls' Common Room, Conference Hall and Computer cum Language Laboratory, is a sprawling three-storied building, an example of modern educational architecture having provisions for elevator especially for physically challenged students and visitors. A new P+3 storied Parking cum Academic Block is being constructed by NBDD with a budgetary allocation of rupees 4 crores. Once completed, this building will house 6 social science departments with adjacent ICT enabled classrooms.

The theme-based terracotta frescoes on the walls of the main building, crafted by award-winning artisans of Krishnanagar, West Bengal, has been the latest attraction of the institution for its aesthetic appeal.

2. Central Library:

Our Central library housed in the first floor of "Amit Agarwala Learning cum Resource Centre" building, contains a collection of more than 13500 books, comprised of both Text Books & Reference Books. Apart from that the central library also subscribes 10 Peer-reviewed Print Academic Journals, 14 popular magazines, 5 Daily Newspapers, 2 Employment oriented Newspapers, more than 5 Lakh e-books and approximately 6000 peer-reviewed journals. Library Membership is compulsory and open access facilities are available for both the teachers and students. The library is fully automated by using the Koha ILMS (Integrated Library Management System). The library is an institutional member of UGC INFLIBNET NLIST (National Library and Information Services Infrastructure for Scholarly Content) and NDL (NATIONAL DIGITAL LIBRARY). It has also introduced a book bank facility namely "PC Chandra Book Bank Collection" for economically backward students. The library has a dedicated Collection for Career Oriented Program and different facilities such as separate reading rooms for both the faculties and students; separate baggage counter; purified drinking water; wi-fi connectivity; 24*7 CCTV surveillance; dedicated android application for the central library, online library catalogue search (WEB OPAC) etc.

3. Smart Class Rooms:

The college has 6 smart classrooms at present which are well equipped with projectors and all other modern ICT tools to enable teachers for maximum use of technology to ensure effective teaching-learning process.

4. Laboratories:

All the science departments and the Department of Geography have modern laboratories amounting to a total number 7. These state-of-the-art laboratories are spacious, furnished with all necessary equipment, solutions and instruments as the natures of the subjects demand.

5. Departmental Libraries:

Department of Chemistry, Department of Physics, Department of Mathematics and Geography have Departmental libraries with borrowing facilities for the students. These libraries are maintained by departmental teachers and are equipped with books deemed to be most relevant in accordance with the existing syllabus pattern.

6. Counseling Room:

The Counseling Room, adjacent to Principal's chamber, is used for personal counseling of student by a faculty. If a teacher feels that a student needs special support, or a guardian places the same request for his/her ward, or if a student requests for special attention from a teacher to resolve emotional, psychological, or any other stress-related issue, teacher-mentor in such cases arrange for a special session with the student in the counseling room.

7. Boys' Common Room:

The Boys' Common Room, located in the ground floor of the building of Amit Agarwala Learning cum Resource Centre, is a huge room with vitrified tiles flooring and full of other amenities where boys can spend quality time among their peers during off-periods and play table tennis and carom.

8. Girls' Common Room:

The Girls' common Room is also the same in size and amenities like the Boys' Common Room. It also has one Lady Attendant for security purpose and other exigencies and is also proposed to have Napkin Vending and Napkin Disposal Machine.

9. Students' Council:

The Students' Council Office is located in the first floor of the building which houses canteen in the ground floor. The Council room is spacious and has table tennis board and carom board for the students. It has a meeting room to transact day to day student related activities.

10. College Canteen:

The College Canteen is a place where all food items are provided in heavily subsidized rates. The college authority maintains strict vigil to ensure the quality of food served in the canteen, the nature of ingredients used and hygiene. It also has provision for vegetarian and non-vegetarian lunch *thalis*.

11. Computer Laboratory:

There are two spacious Computer Laboratories in the college in the second floor of the newly constructed building, Amit Agarwala Learning cum Resource Centre. There are 42 branded computers with necessary configurations and is used to run the computer course as part of the syllabus. Among these 15 computers are donated by the Hon'ble M-i-C Tourism.

12. Indoor Games Room:

The Indoor Games Room, situated on the first floor of the canteen building has provisions for TT Board and Carom Board for the students to play during leisure time.

OUR VISION

- The naming of the college after the legendary figure Surya Sen has instilled a tremendous sense of responsibility into the Mahavidyalaya fraternity to concretise the metaphoric resonance of the ideals which this great personality symbolised. One of the ways to achieve it is to show a rare alacrity in augmenting today's youths towards right direction who have fallen victim to historical counter forces.
- Our mission is to help the students in realizing their innate capabilities which will ensure silent revolution in thought, powerful enough to destroy the dull and the dreary declaring a new dawn.
- We are equally committed to produce quality graduates at a competitive level in line with international educational philosophy who will have capacity to bring meaningful changes to the mundane system. This is in line with our nation's aspiration which is to build a generation of professionals capable of addressing challenges of a new world order.
- The triad of students, teachers and society has more responsibility now than ever before. Surya Sen Mahavidyalaya would love to symbolise as an image of being more than a mere manufacturer of degrees. Rather it would like to soldier on as an academic institution sharing positive values with the society and motivate learners to socio-cultural and intellectual activism. The road is long but this college is committed to reaching its goal.

Student Centric Features of Surya Sen Mahavidyalaya

- Most of the class rooms are equipped with audio systems and white boards.
- Swapan Kumar Sarkar Memorial Smart Class room with all modern teaching learning aids.
- To ensure the campus security, the whole campus along with each and every classroom is brought under CCTV surveillance.
- Reverse osmosis generated purified drinking water dispensing machines are installed within the campus.
- Mandatory Power Point Seminar presentation by third year students.
- Audio-Visual class as part of routine for the faculties.
- Mounted LCD projectors in selected rooms.
- Provision for Remedial classes.
- Monthly Unit Tests for students as part of continuous evaluation programme.
- Introduction of intra-departmental teacher exchange scheme, whereby teachers across discipline will exchange classes with an aim to provide a broader perspective to the issues and problems.
- Mandatory 75% class attendance for appearing in the final examination.
- **Multimedia Language Laboratory:** The College has a modern Multimedia Language Laboratory. The purpose of this language lab is to involve students to actively participate in language learning exercises which involve the development of speaking, listening and writing skill. The college will run short term courses on English language development skill at the end of which Certificate of Completion will be provided to the students. Students with Honours in English should mandatorily

enrol themselves to the language learning course through the payment of Rs.250/- at the time of admission. Enrolment in the course is optional for students of other disciplines.

- There is a provision for **Merit and Means scholarship** sponsored by different philanthropists of Siliguri. The amount and the number of recipients may vary from time to time.

The P. C. Chandra Book Bank

The college has started a Book Bank facility with the objective to help the needy students. Built with the help of P. C. Chandra Gyandhara Grant, which the library received for its proven excellence in using the central library as a true knowledge-dome for students in particular and the people in general, the “P. C. Chandra Book Bank” functions to cater to the academic needs of the economically backward students.

The book bank is equipped with books for all the streams – Arts, Science & Commerce. The Book Bank facility is provided to the bonafide students of the college. Through this, the students can get a book by paying a minimal percentage of the cost of the book and can keep it until the end of a particular semester.

Before semester-end examination the book has to be returned by a notified date, failing which they have to pay a fine of Re. 5/- per day per book. In case of loss or any damage caused to the book, the student will have to replace it with new copy or pay triple the cost of the book.

Achievements of Surya Sen Mahavidyalaya

- Best performing college for the year 2016-17 in implementing kanyashree prokolpo.
- SSM is the first government aided higher education institution in the region to introduce uniform for students on 29/08/2017. This we consider a great fit for us, a unique instance of Student Union and college management bonhomie which is achieved through open debate and meaningful discussion on the issue. For Group D employees also separate uniform is introduced.
- In implementing strategies to promote research aptitude among our faculties SSM has introduced a unique scheme of MRG (Micro Research Grant) where financial assistance will be provided to selected research proposal having contemporary relevance.
- Introduction of students' accidental welfare scheme
- We have introduced Employees Provident fund for our casual employees.
- Introduction of family medical insurance for group D employees.
- Introduction of biometric attendance system.
- Introduction of performance appraisal diary for faculties for systematic documentation of the academic and other activities.
- We have provision of SSM Android app to ensure effective interaction with student community.
- Promotion of cashless transaction in office and use of payment gateways to ensure transparency in the accounting process.

Apart from the Discipline Specific Core Course the student will have to select Generic Elective courses and Discipline Specific Elective courses, Ability Enhancement Core Courses and Skill Enhancement Courses from the provided pool of choices.

OUTLINES OF CHOICE BASED CREDIT SYSTEM:

- 1. Discipline Specific Core Course (DSC)** The course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
- 2. Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
 - 2.1 Discipline Specific Elective (DSE) Course:** An Elective course offered under the main discipline/subject of study is referred to as Discipline Specific Elective.
 - 2.2 Generic Elective (GE) Course:** An Elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of courses is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective courses.
- 3. Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).
 - 3.1 Ability Enhancement Compulsory Courses (AECC):** These courses are based upon the content that leads knowledge enhancement, (1) Environmental Science and (2) MIL Communication.
 - 3.2 Skill Enhancement Courses (SEC):** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and laboratory/hands on training/field work. The prime purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability.
- 4. Practical/Tutorials** (One each with every discipline specific core and discipline/generic specific Elective course): Practical means Laboratory or field exercises in which the student has to do experiments or other practical works of two hour duration. Tutorial means special instructions based on the Lectures.

5. Detailed Course Structure

Course Components	Number of Courses					
	B.Sc.		B.A.		B.Com.	
	Honours Program	Program	Honours Program	Program	Honours Program	Program
Discipline Specific Core Course (DSC)	14	12	14	12	14	12
Discipline Specific Elective (DSE) Course	4	6	4	4	4	4
Generic Elective (GE) Course	4	---	4	2	4	2
Ability Enhancement Compulsory Course (AECC)	2	2	2	2	2	2
Skill Enhancement Course (SEC)	2	4	2	4	2	4
Total Courses	26	24	26	24	26	24

6. Credit

The term 'credit' refers to the weightage given to a course, usually in terms of the number of instructional hours per week assigned to it. This explains why usually 'credit' is taken to mean 'credit hours'. The credits also determine the volume of course contents and delivery of Course such as lectures, tutorials, practical, assignments etc.

a. For the purpose of credit determination, instruction is divided into three components:

Lectures (L) – Classroom lectures of one-hour duration.

Tutorials (T) – Special, elaborate instructions on specific topics (from Lectures) of one-hour duration.

Practical (P) – Laboratory or field exercises in which the student has to do experiments or other practical work of two-hour duration.

b. Each one of these components is considered as equal to **one credit hour**. One lecture (*L*) as well as one Tutorial (*T*) of one hour a week is considered as one credit, whereas one Practical (*P*) of two hours a week is considered as one credit. The total weightage given to a course in terms of credits will be equal to $L + P/T$, where *L* is the number of one hour Lectures per week, *T* is the number of one hour Tutorials per week, and *P* is the number of two hours Practical per week. This can be written in symbols as: $C = L + P/T$ Where, *C* is the credit weightage for a particular course.

The NCC unit (Girls wing) of Surya Sen Mahavidyalaya under open vacancy started from 15th September, 2019 under 16 Bengal BN NCC, under the supervision of Dr. Pranab Kumar Mishra (Principal).

Smt. Arpita Roy has been appointed as the NCC teaching Staff (CTO/ANO).

At present, NCC Girls SD wing (open vacancy) is operational and NCC Boys SD is proposed to start from this year under 16 Bengal BN NCC.

The main aim of NCC is to provide basic military training to the students and groom them into disciplined and patriotic citizens.

The NCC unit of Surya Sen Mahavidyalaya is fully stepping into the footsteps of NCC and following each and every objective to fulfil the aims of 16 Bengal BN NCC and striving its best to enhance the strength and pride of the institution and the Nation.

Under Smt. Arpita Roy (CTO/ANO), several activities has been conducted by the NCC wing, starting from hosting NCC Day, participating in Walk for Blood, organising Republic Day and college Sports Day Parade, to campaigning for COVID-19, celebrating Yoga Day and recently organising Online Webinar for celebrating Kargil Vijay Diwas.

Our motto

“Join NCC – Strengthen Nation”.

National Service Scheme (NSS)

National Service Scheme (NSS) is one of the flagship programs of the government. It aims at personality and character development of the students through voluntary community service. The overall aim of National Service Scheme is to give an extension dimension to the higher education system and orient the student youths to community service while they are studying in educational institutions. The educated youths who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are found indifferent towards their needs and problems. Therefore it is necessary to arouse the social conscience of the students and to provide them an opportunity to work with the people in the villages and slums. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

The broad objectives of NSS are to:

- (i) Understand the community in which they work & understand themselves in relation to their community;
- (ii) Identify the needs and problems of the community and involve them in problem solving process;
- (iii) Utilize their knowledge in finding practical solution to individual and community problems;
- (iv) Acquire leadership qualities and democratic attitude;
- (v) Develop capacity to meet emergencies and natural disasters;
- (vi) Practice national integration and social harmony.

The motto or watchword of the National Service Scheme is: '**NOT ME BUT YOU**'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

We have two NSS Units in our college with 100 volunteers in each unit. We give opportunities to our volunteers to grow. Volunteers are free to bring new ideas to develop village/slum and we always welcome and implement new ideas given by volunteers.

NSS Officers:

Program Officer NSS Unit I: Mr. Ranjit Kumar Barman

Program Officer NSS Unit II: Smt. Babita Prasad
