

DEPARTMENT OF CHEMISTRY

Ref No: SSM/CHEM/2026/E/07

08.05.2026

Notice

This is to inform that as a part of your Internal Assessment, all students who opted for Chemistry in Daily life (CDL) as IDC have to submit one assignment by **15th May, 2026**.

Rules & Regulations:

1. You have to submit your assignment by 15th May, 2026 from 12 noon to 2 pm at Department of Chemistry.
2. The assignment must be hand-written.
3. Full marks of the assignment is 20.
4. Without any valid reason, any delay in submission will not be entertained.
5. You will find a list of attached topics. You must choose one & write appropriately.
6. You may use subpoints / paragraphs wherever applicable. You may attach downloaded but suitable photomaps as well wherever applicable.
7. You may use internet as a tool of your research but ***copied & pasted assignment will not be entertained.***

The topics are as follows:

1. Role of Chemistry in Improving Human Lifestyle
2. Pesticides and Insecticides: Uses, Benefits and Environmental Impact
3. Importance of Salt, Sugar and Spices in Human Body
4. Difference Between Soaps and Detergents with Chemical Explanation
5. Comparison of Conventional and Alternative Fuels
6. Composition and Uses of Cosmetics: Creams, Lotions and Powders
7. Medicinal Agents and Their Role in Human Health: From Antipyretics to Antidiabetics
8. First Aid Chemistry: Exploring Chemicals, Surgical Materials, and Sanitizers.
9. Vaccines and Immunization: Safeguarding Childhood Health Through Preventive Medicine
10. Societal Impact of Addictive and Harmful Drugs: A Scientific and Social Perspective.
