Event Name: Industrial Visit to S.N. Polymer Pvt Ltd, Fulbari

Date of Visit: 29th April, 2023

Objective: The main focus of this visit was to equip students with the practical observation how plastic materials like water pipes commercially known as PVCs are made in industries.

Event Summary: Department of Chemistry organized an industrial visit to S.N. Polymers Pvt. Ltd, Fulbari with the 6th semester (Honours and Program) students on 29th April, 2023. Three teachers of the department Mr. Biswajit Bhaumik (HoD, Chemistry), Ms. Pallobi Sarkar, Mr. Subham Mukherjee and two laboratory assistants – Mr. Biswajoy Chanda and Mr. Debadyo Sarkar accompanied the students. In this visit students learnt about the whole manufacturing process and Lab testing of quality of PVC pipes using different chemicals and instruments. A live demonstration helps them to correlate their theoretical knowledge with the actual manufacturing process which also helps them a lot to understand the subject topic in depth. The intention of such industrial visit was to enrich their knowledge and this trip was successful to fulfill that intention. The cooperation of all the staff of S.N. Polymers Pvt. Ltd with our enthusiastic students made the industrial visit a grand success. The students prepared a project on this topic and submitted on the day of examination of DSE-4 paper.
