Mirabazar, P.O. Mirabazar, Dist. Nadia

A specific plan will be worked out for each activity and detailed arrangements for such collaborative work will be agreed upon.

B. Student Exchange

- a) Students in the exchange programme will be selected by mutual agreement between the home and the host college.
- b) Exchange students may be evaluated by the host institution if such an evaluative framework for the academic interest of students be worked out; this will in no way impede or influence her/his evaluation in home college or university assessment / evaluation.

C. Other areas

- a) To exchange information on research and educational programmes
- b) To exchange information on teaching, learning material and other literature relevant to their educational and research programmes
- c) To jointly organise seminars, faculty development programmes, workshops on topics of mutual interest and to invite each other's faculty to participate therein
- d) To explore the provision of cultural and intellectual enrichment opportunities for staff, faculty and students of both institutes.
- e) To use library reading room facilities for a specified period
- f) To use laboratory facilities in specific cases (with prior approval of Principal) for a limited period.

SSM and PC agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two colleges. These terms will include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

ARTICLE 2: COORDINATION

Each college shall appoint one member of its teaching faculty to coordinate the programme on behalf of the Principal of each college. Further, a Coordination Committee consisting of two Principals and the two Coordinators will periodically (once or twice a year) review and identify ways to strengthen cooperation between two colleges.

ARTICLE 3: CONFIDENTIAL INFORMATION

The two colleges will retain and respect individual confidentiality, including those pertaining to the collaborative activities of both colleges.

ARTICLE 4: INTELLECTUAL PROPERTY RIGHTS

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer software and any other industrial or intellectual property rights) developed jointly during the course of this MoU shall be vested in both the colleges in this MoU. Both the colleges shall have right to determine the commercial implications, disposition and exploitation of such intellectual property and shall make joint applications for the registration of the same. Any publication regarding such intellectual property shall be possible with prior written consent of both colleges.
